

OPTIONAL ANNUAL REPORT TEMPLATE

|                                 |   |
|---------------------------------|---|
| Drinking-Water System Number:   | 26008922                                    |
| Drinking-Water System Name:     | KAMP TANNER WELL SUPPLY                     |
| Drinking-Water System Owner:    | KINSMEN CLUB OF STRATFORD INC.              |
| Drinking-Water System Category: | SMALL NON-MUNICIPAL NON RESIDENTIAL (SNMNR) |
| Period being reported:          | 2018  |

|  |  |
|--|--|
| <p><u>Complete if your Category is Large Municipal Residential or Small Municipal Residential</u></p> <p>Does your Drinking-Water System serve more than 10,000 people? Yes [ ] No [X]</p> <p>Is your annual report available to the public at no charge on a web site on the Internet? Yes [X] No [ ] WE WILL POST IT ON OUR WEBSITE</p> <p>Location where Summary Report required under O. Reg. 170/03 Schedule 22 will be available for inspection.</p> <p>AT KAMP TANNER</p> | <p><u>Complete for all other Categories.</u></p> <p>Number of Designated Facilities served: <input type="text" value="1"/></p> <p>Did you provide a copy of your annual report to all Designated Facilities you serve? Yes [ ] No [ ] N/A</p> <p>Number of Interested Authorities you report to: <input type="text" value="1"/></p> <p>Did you provide a copy of your annual report to all Interested Authorities you report to for each Designated Facility? Yes [X] No [ ]</p> |
|--|--|

Note: For the following tables below, additional rows or columns may be added or an appendix may be attached to the report

List all Drinking-Water Systems (if any), which receive all of their drinking water from your system:

| Drinking Water System Name | Drinking Water System Number |
|----------------------------|------------------------------|
| N/A                        | N/A                          |

Did you provide a copy of your annual report to all Drinking-Water System owners that are connected to you and to whom you provide all of its drinking water?  
 Yes [ ] No [ ] N/A

# Ontario Drinking-Water Systems Regulation O. Reg. 170/03

Indicate how you notified system users that your annual report is available, and is free of charge.

- Public access/notice via the web
- Public access/notice via Government Office
- Public access/notice via a newspaper
- Public access/notice via Public Request
- Public access/notice via a Public Library
- Public access/notice via other method To be posted in Long House and on web-site

**Describe your Drinking-Water System**

MAIN BUILDING - 2 - 2x20" BB FILTERS - AUTOTROL TANK FILTER  
 - DURO REVERSE OSMOSIS 75 GPD  
 POOL HOUSE - HALLET 15XS - FUSION 45 WATER SOFTENER  
 - HALLET 13  
 NURSE STATION - TEMPORARY - SUMMER USE - 2 MONTHS  
 TROSAN UV C/W 5 MICRON PRE-FILTER.

**List all water treatment chemicals used over this reporting period**

UV SYSTEM WITH WATER SOFTENER. USE PREMIUM SIFTO SALT

**Were any significant expenses incurred to?**

- Install required equipment
- Repair required equipment
- Replace required equipment

**Please provide a brief description and a breakdown of monetary expenses incurred**

REPLACED WATER SOFTENER - MAY 29, 2018  
 INSTALLED FUSION 45 WATER SOFTENER

Provide details on the notices submitted in accordance with subsection 18(1) of the Safe Drinking-Water Act or section 16-4 of Schedule 16 of O.Reg.170/03 and reported to Spills Action Centre

| Incident Date | Parameter | Result | Unit of Measure | Corrective Action | Corrective Action Date |
|---------------|-----------|--------|-----------------|-------------------|------------------------|
|               | N/A       |        |                 |                   |                        |
|               |           |        |                 |                   |                        |

**Microbiological testing done under the Schedule 10, 11 or 12 of Regulation 170/03, during this reporting period.**

|              | Number of Samples | Range of E.Coli Or Fecal Results (min #)-(max #) | Range of Total Coliform Results (min #)-(max #) | Number of HPC Samples | Range of HPC Results (min #)-(max #) |
|--------------|-------------------|--|---|-----------------------|--------------------------------------|
| Raw          | 12                | 0 - 0  | 0 - 49  | 12                    | 0 - 10                               |
| Treated      | 12                | 0 - 0  | 0 - 0   | 12                    | 0 - 180                              |
| Distribution |                   |  |   |                       |                                      |

**Operational testing done under Schedule 7, 8 or 9 of Regulation 170/03 during the period covered by this Annual Report.**

|   | Number of Grab Samples | Range of Results (min #)-(max #) | Unit of Measure |
|---|------------------------|----------------------------------|-----------------|
| Turbidity                                   | N/A                    |                                  |                 |
| Chlorine                                    | N/A                    |                                  |                 |
| Fluoride (If the DWS provides fluoridation) | N/A                    |                                  |                 |

*NOTE: For continuous monitors use 8760 as the number of samples.*

**Summary of additional testing and sampling carried out in accordance with the requirement of an approval, order or other legal instrument.**

| Date of legal instrument issued | Parameter | Date Sampled | Result | Unit of Measure |
|---------------------------------|-----------|--------------|--------|-----------------|
| N/A                             |           |              |        |                 |

**Summary of Inorganic parameters tested during this reporting period or the most recent sample results**

| Parameter | Sample Date         | Result Value | Unit of Measure | Exceedance |
|-----------|---------------------|--------------|-----------------|------------|
| Antimony  | DEC 2013            |              |                 |            |
| Arsenic   |                     |              |                 |            |
| Barium    |                     |              |                 |            |
| Boron     | See Attached Report |              |                 |            |
| Cadmium   |                     |              |                 |            |
| Chromium  |                     |              |                 |            |
| *Lead     |                     |              |                 |            |
| Mercury   |                     |              |                 |            |
| Selenium  |                     |              |                 |            |
| Sodium    | 5                   |              |                 |            |
| Uranium   | 5                   |              |                 |            |
| Fluoride  | 5                   |              |                 |            |

# Ontario Drinking-Water Systems Regulation O. Reg. 170/03

|         |         |       |       |  |
|---------|---------|-------|-------|--|
| Nitrite | 6 TESTS | 1.003 | 1.006 |  |
| Nitrate |         |       |       |  |

\*only for drinking water systems testing under Schedule 15.2; this includes large municipal non-residential systems, small municipal non-residential systems, non-municipal seasonal residential systems, large non-municipal non-residential systems, and small non-municipal non-residential systems

## Summary of lead testing under Schedule 15.1 during this reporting period

(applicable to the following drinking water systems; large municipal residential systems, small municipal residential systems, and non-municipal year-round residential systems)

| Location Type | Number of Samples | Range of Lead Results (min#) – (max #) | Unit of Measure | Number of Exceedances |
|---------------|-------------------|--|-----------------|-----------------------|
| Plumbing      | N/A               |  |                 |                       |
| Distribution  |                   |  |                 |                       |

## Summary of Organic parameters sampled during this reporting period or the most recent sample results

| Parameter   | Sample Date | Result Value    | Unit of Measure | Exceedance |
|---|-------------|-----------------|-----------------|------------|
| Alachlor  | Dec 12/13   |                 |                 |            |
| Aldicarb  | See         | Attached Report |                 |            |
| Aldrin + Dieldrin                                   |             |                 |                 |            |
| Atrazine + N-dealkylated metabolites                |             |                 |                 |            |
| Azinphos-methyl                                     |             |                 |                 |            |
| Bendiocarb  |             |                 |                 |            |
